Lotus Temple, New Delhi

India goes to general election mid 2019

**CMMI strives to maintain
highest standards in all
things mercantile marine
and excellence through
professional participation of
Shipmasters.**

Express your views through CMMI

**The voice of a single master
is easily overwhelmed by
the tide of change.**

**CMMI offers a channel to
be heard.**

As a member, Master's voice is added to three thousand other members representing all vessel types, cutting across company divisions union and other affiliations.

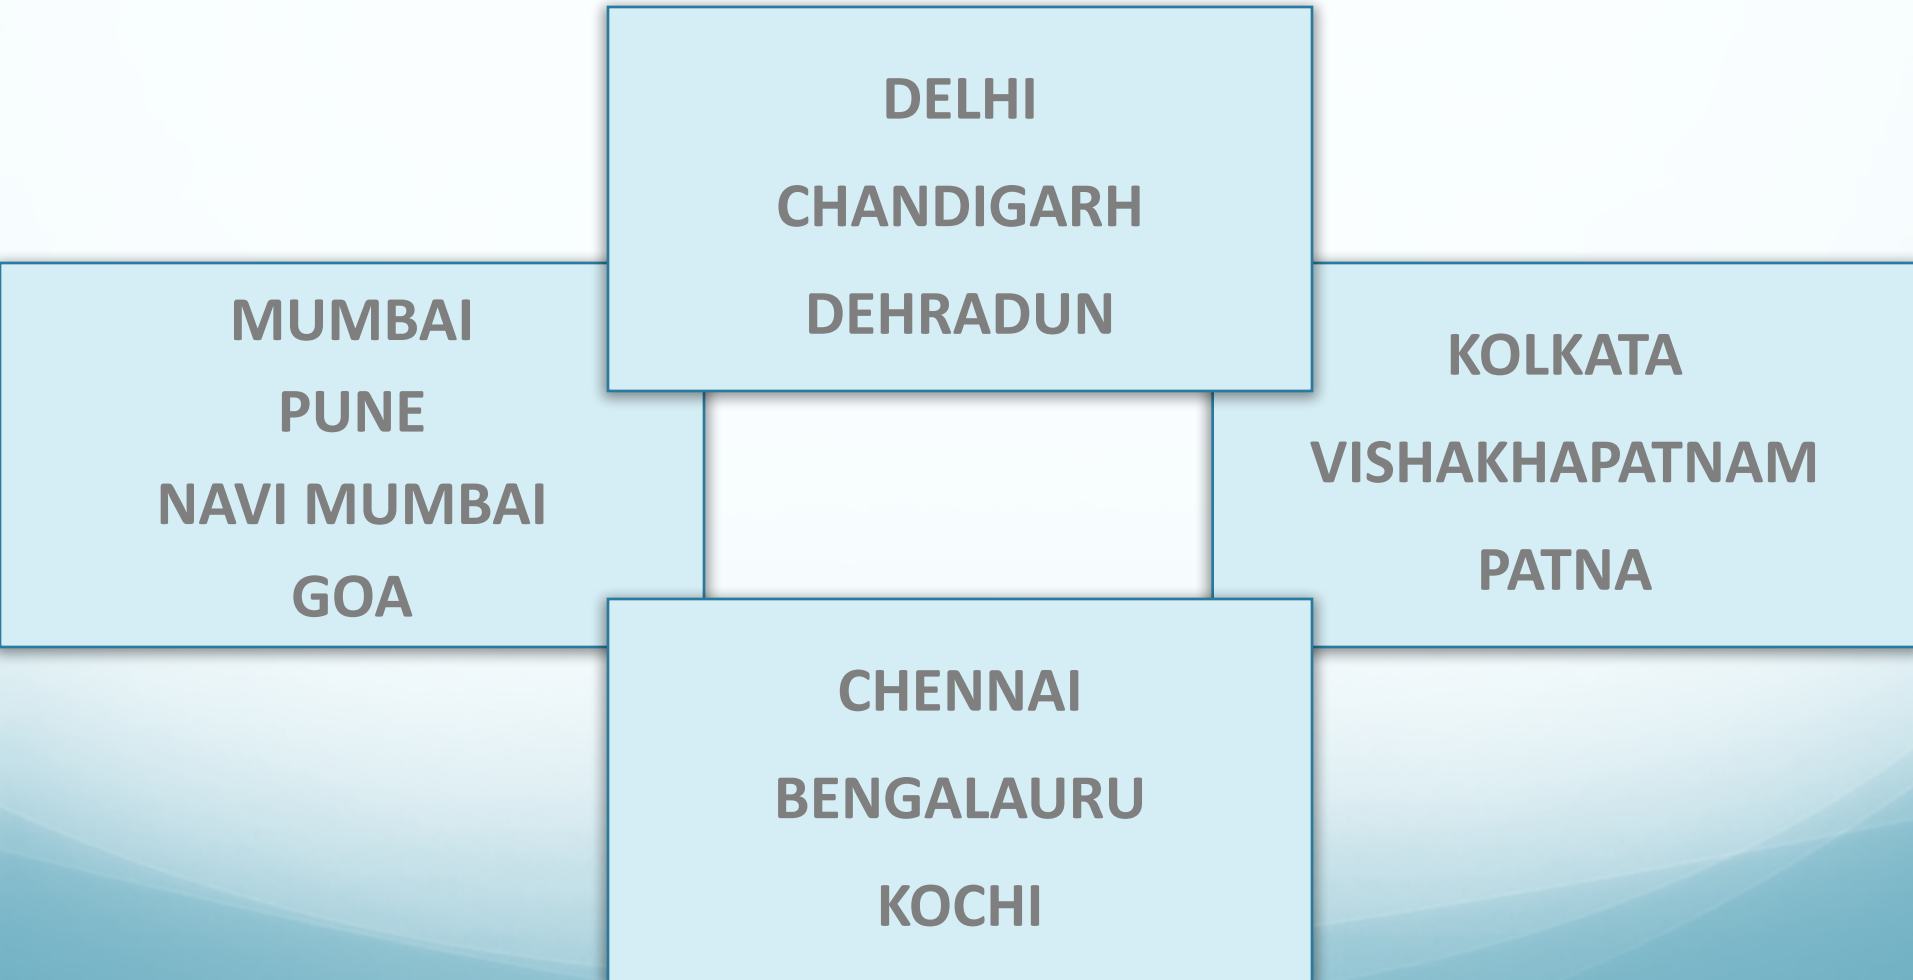

**The Company of Master
Mariners of India finds
itself in a unique position
to supply expertise for
both the industry and the
public good.**

Objectives of CMMI

- To provide a nodal body representative of experienced Master Mariners
- To encourage and maintain high and honorable standards of mercantile marine profession
- **Synergy between mercantile marine and the Navy**
- **To collect, circulate, publish and distribute statistics & other information relating to Merchant Navy**
- **To constitute a body of experienced seaman for assisting courts of law, commissions, arbitrators, investigators**
- **To Promote & foster continual professional development**
