DE DE MATO ENL CARGAL

On June 3rd, 1903 Luis Scalese, together with a group of Officers, founded the "Merchant Marine Officers Center".

Between 1907 and 1910 other centers were created, but they did not last as they were practically clubs for officers.

Captains and Officers together with the Maritime Workers Federation participated in different strikes.

1961. Argentine Maritime Lines Company (ELMA)

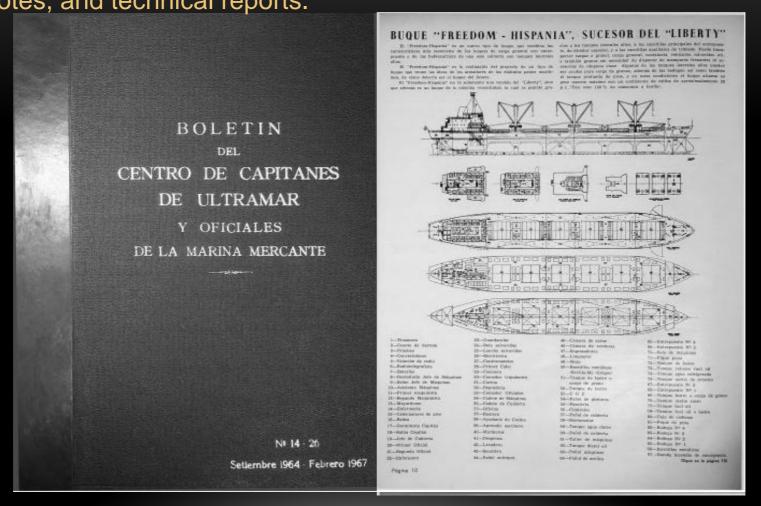

1962. CCUOMM began to publish a printed bulletin informing everything that happens in the institution itself and in the maritime sector. In addition, social and union notes, and technical reports.

1968 - 50° Anniversary

1973. The Retirement and Pension Compensation Fund was created.

1974. IFSMA was founded. In the early 80's the CCUOMM joined that.

1975. A Collective Bargaining Agreement, which would govern the activity until 1991, was signed with the main chambers of national shipowners.

1976. The Assistant Secretary General of the CCUOMM,

Mario Pantaleo Ábalos, disappeared. His body was recognized in 2010.

Carlos Enrique Arias Solanes has been missing since December 30th, 1977.

In the military confrontation, merchant marine played an important role. There were ships attacked and several crew died. April 2th is the national holiday in memory of the Civil Veterans of Malvinas.

Since 1986, CCUOMM has been involved in a campaign to defend the state fleet and the national flag.

The members of CCUOMM entrust the Presidency to Captain Marcos R. Castro, who initiates a transcendental change in the strategy of the institution in order to defend the jobs and resist the destruction of the Argentine Merchant Marine.

2007. At the request of the CCUOMM and with financial support, a ship of a national shipowner was put at the disposal of the Nautical School in order to Cadets could

meet the minimum

2008. CCUOMM carried out industrial actions claiming to the shipowners a bonus for Masters and Officers to compensate tax deductions. The issue became relevant when the newspapers began to report a possible shortage of fuel. Unfortunately, the rest of the maritime unions not only opposed the claim, but also publicly attacked CCUOMM.

Goals won and lost

June 2009. Ministry of Labor approves the Collective Bargaining Agreement negotiated between

CCUOMM and the Chamber of National Shipowners.

October 2009. CCOMM agreed with the Shipowners' Chamber to raise the coefficient of Leave Days

to 0.80 for each boarding day.
